1.Hello Everyone!!!

We hope everyone enjoyed the holidays and are having a great new year!

We are very pleased to introduce you all to Daniel M White, our manager. Most of you have already met him. He is an asset to our team and we are very blessed to have him on our team.

We prefer an in person appointment, however if you are not able to come in we can do a phone or zoom appointment. We must have all of your information in our office 3 days in advance of your appointment. Please send all paperwork in one email and list in the body of the email every item that should be attached. We do not want to miss anything!!

- 1. If you did not receive a stimulus payment and qualified for it, we can add it to your 2021 return.
- 2. Moving expense has been eliminated, and other deductions have been limited. Same as last year.
- Form 2106 is still in debate in congress-Home office deduction should come back along with other expenses for W2 employees. But hasn't yet. We can amend later if it passes.

Our minimum charge is \$100.00. We charge by the form and we are always less than H & R Block!! Therefore, we can prepare your taxes for less!

Please remember we do charge 3.5 % for credit/debit card fee. So please bring your checking information.

We appreciate all of you and want to continue the relationship that we've had for over 25 years!!

I am very Thankful for our team!! Joe, Patrick, Aileen and Daniel!
